

Welcome to Math

A letter to my friends who have lost their calculators:

1. You need them for the EOC
2. If you absolutely cannot find one, you need to tell me ASAP.

A letter to my friends who have dead calculator batteries:

1. You need to charge them or replace batteries ASAP

Announcements

- ◆ I should be caught up on grades by Sunday (Geometry tests and Statistics Corrections)
- ◆ EOC on May 30th - we are in review time!
- ◆ We will have one more formal this quarter - I will let you know what that is soon!
- ◆ I am looking into an extra credit opportunity that would allow you to exempt your lowest FBF grade - more information to come soon!
- ◆ Scheduling missed Geometry Tests
- ◆ SchoolNet issues...

Two boys, Shawn and Curtis, went for a walk. Shawn began walking 20 seconds earlier than Curtis.

- Shawn walked at a speed of 5 feet per second.
- Curtis walked at a speed of 6 feet per second.

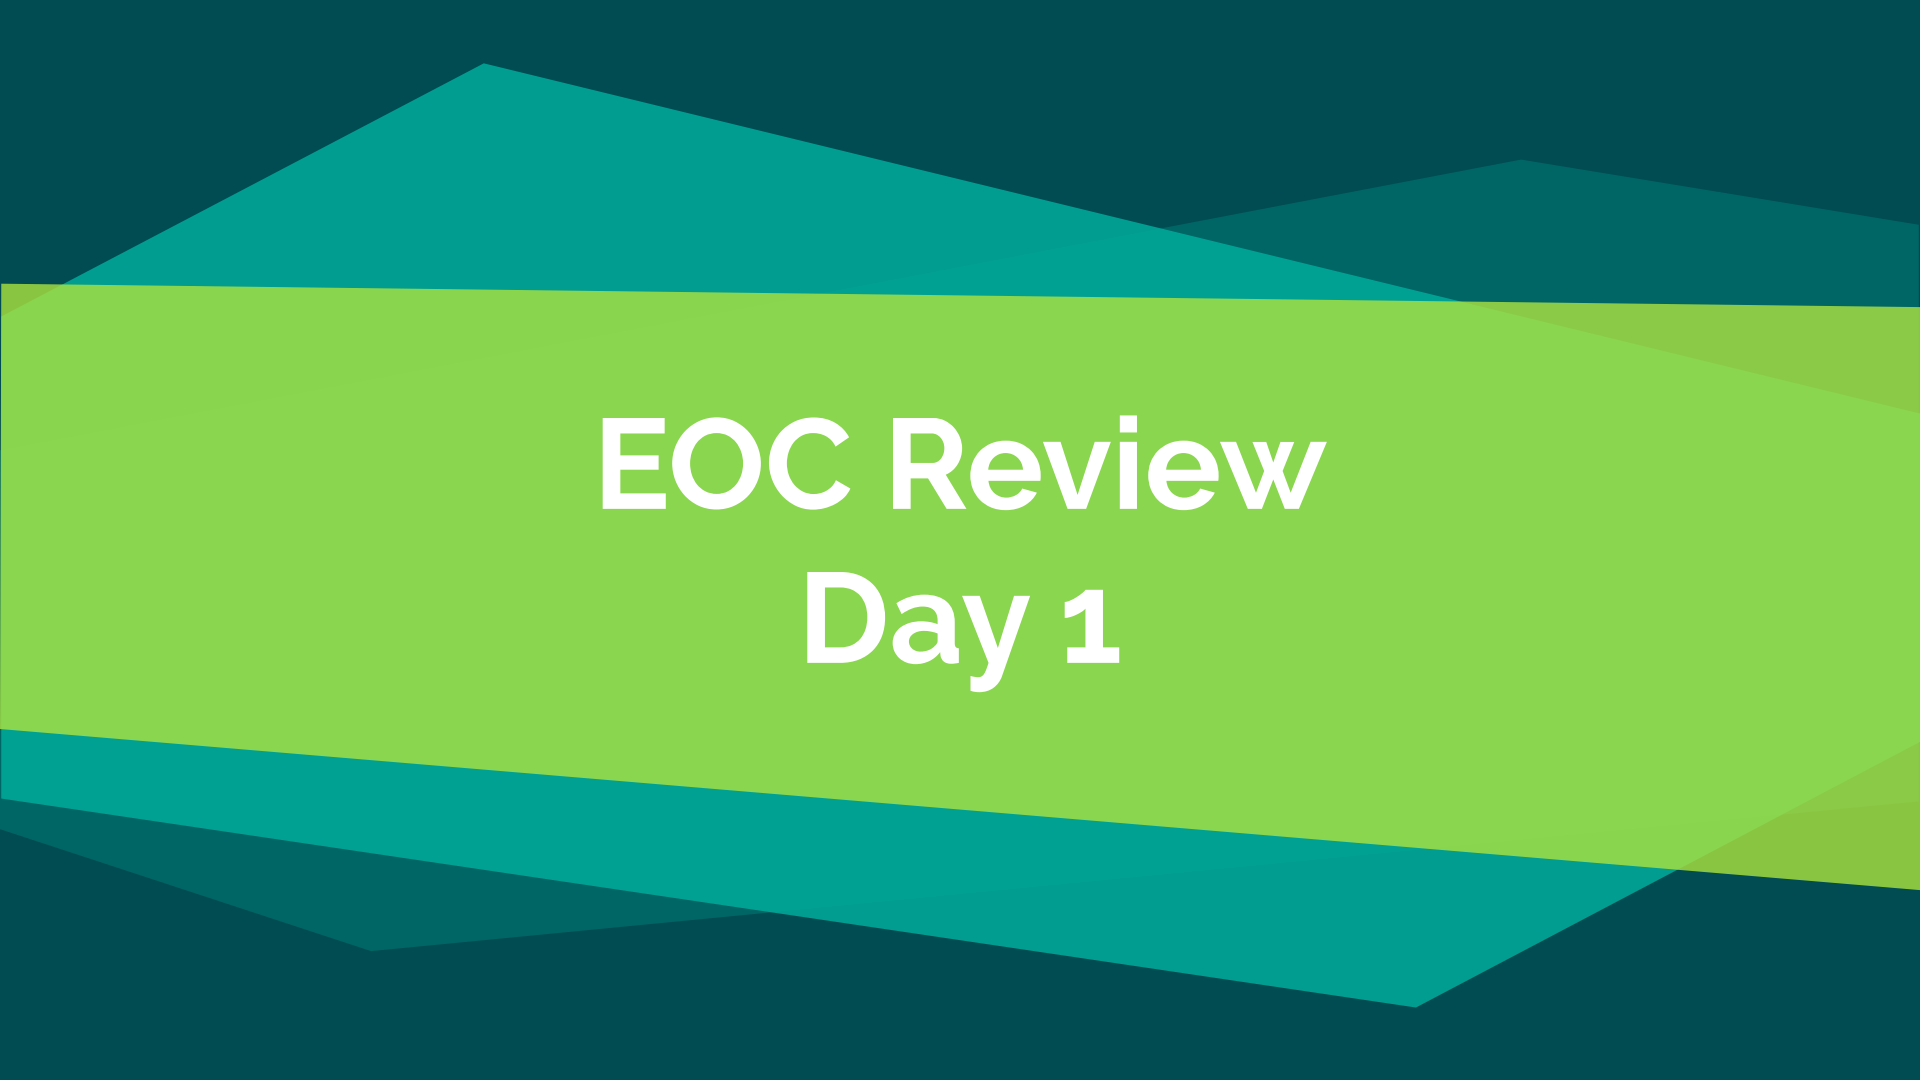

For how many seconds had Shawn been walking at the moment when the two boys had walked exactly the same distance?

John mixed cashews and almonds.

- John bought 4 pounds of almonds for a total cost of \$22.
- The cost per pound for cashews is 60% more than the cost per pound for almonds.
- John bought enough cashews that, when he mixed them with the almonds, the mixture had a value of \$6.50 per pound.

Approximately what percent of the mixture, by weight, was cashews?

- A 20%
- B 25%
- C 30%
- D 35%

The slide features a dark teal background with a central horizontal band of light green. The text "EOC Review" and "Day 1" is centered in white. The background is decorated with several overlapping, semi-transparent teal shapes that resemble stylized mountains or abstract geometric forms.

EOC Review

Day 1

- Tuesday, May 7 - Unit 1 and 2 Review, before school tutoring (Barger)
- Wednesday, May 8 - Unit 3 and 4 Review
- Thursday, May 9 - Unit 5 and 6 Review, before school tutoring (Wright)
- Friday, May 10 - Unit 7 and 8 Review
- Monday, May 13 - Word Problems Review
- Tuesday, May 14 - Exponents and Exponentials Review, before school tutoring (Barger)
- Wednesday, May 15 - Polynomials and Factoring Review
- Thursday, May 16 - Quadratics Review, before school tutoring (Wright)
- Friday, May 17 - Statistics and Geometry Review
- Monday, May 20 - Released EOC
- Tuesday, May 21 - Student choice study hall with teacher acting as tutor, before school tutoring (Barger)
- Wednesday, May 22 - Student choice study hall with teacher acting as tutor
- Thursday, May 23 - Student choice study hall with teacher acting as tutor, before school tutoring (Wright)
- Friday, May 24 - Student choice study hall with teacher acting as tutor
- Monday, May 27 - NO SCHOOL - Panera Tutoring from 2-5
- Tuesday, May 28 - Calculator review - NO TUTORING DUE TO TESTING
- Wednesday, May 29 - Whole class tutoring session - final questions
- **Thursday, May 30 - MATH I EOC TEST**

How will you last formal work?

On Tuesday, you will have a Unit 1 and 2 review. At the end of class, you will be given one question, like an exit ticket, from Unit 1 and/or 2. This will be the first question in your formal. You will be given 10 total days like this, creating a formal grade.

If times allows:

- ◆ Work on statistics test corrections
- ◆ Work on Released EOC questions
- ◆ Begin reviewing Quarter 1 lessons

Ms. Barger will come around and look at your computer.

Homework

Complete your EOC study plan, print it, and have your parent sign it. This will be an informal grade worth 3 points.

Test corrections for Statistics due Friday!
