

# Warm-Up

Please copy the statements below. Write an equation that reflects the situation and solve

1. I am double my sister's age. My sister is 5. How old am I?
2. My friend earns triple what I earn babysitting. My friend earns \$27 an hour. How much money do I earn per hour?

# Homework Check

Textbook page 34(#44-46, 58 - 60), page 43(#25, 26, 55, 57),  
page 50(#79 - 82)

# Chapter One Mid-Chapter Quiz

- Return quiz
- Common mistakes

# Review Time

15 minutes of independent work, then the rest of the class period will be working with your group

# Homework

Review for your test tomorrow
